2. Appointment of the Public Member, approved by the Board, is now in a 2-year pilot 2018-2020
3. Taskforces and Working Groups may be appointed by the Board. These can vary considerably. Some are very specific and time-limited in which case specific individuals may be appointed by the Executive Committee without an open call. Others may be more enduring and cross-cutting in which case there is an open process for participation.

- Active participation as a member of one of ADFM's strategic committees (Education Transformation, Healthcare Delivery Transformation, Research Development and Leadership Development) is the next level of entry into ADFM leadership

 - Leadership Development Committee
- Strategic Committee Chairs are vetted through the Nominations Committee, with input from the Executive Committee, and approved by the Board. Committee Chair terms are two-years, renewable for another term.
- Winter Meeting Program Co-Chair* is vetted through the Winter meeting Triad, Executive and Nominations Committee and appointed by the Board. (*As of 2018, the Winter meeting planning is led by a Program Chair and two Co-Chairs. Each year, a Co-Chair is appointed to round out the triad. The Program Chair serves on the Board during his/her year as Program Chair. Chairs who have served on the Winter meeting planning committee within the past two years are eligible to be considered for Winter meeting Co-Chair.)
- Membership Committee Chair is vetted through the Nominations Committee, with input from the Executive Committee. The Chair term is two-years, renewable for another term.
