School of Medicine  
WRIGHT STATE UNIVERSITY

**Chair, Department of Family Medicine  
Wright State University Boonshoft School of Medicine  
Dayton, Ohio**

The Boonshoft School of Medicine, Wright State University is seeking an accomplished leader in Family Medicine to serve as the next Chair of the Department of Family Medicine. This is an outstanding opportunity for an innovative and entrepreneurial leader to further advance a well-positioned department with a strong foundation and a dynamic and enthusiastic faculty. A cornerstone of the medical school since its inception in 1973, the Department of Family Medicine boasts outstanding programs in multiple areas across the clinical, education and research missions, and strong ongoing support from medical school leadership. Faculty members are active in undergraduate medical education, including clinical medicine skills training, the third year Family Medicine clerkship, and nine electives for third and fourth year students. In 2020, 18% of the graduating class entered Family Medicine residency programs. The department's own residency program (10/10/10), first accredited in 1972, is celebrating its 50<sup>th</sup> year of continuous operation and boasts a 100% board passage rate. We recently secured a HRSA grant to develop a Rural Residency Training track. The Department also has a well-organized research division with grant funding in excess of \$1.25 million in 2021. Our faculty practice on the campus of WSU is growing, and provides Student Health Services for the University. Our residency practice is based at Five Rivers Health Center, a Federally-Qualified Health Center in Dayton.

Candidates must possess an MD or DO degree from an accredited medical school, be board certified in Family Medicine and be eligible to obtain a medical license in the state of Ohio. The successful candidate will have at least ten years of progressive leadership roles in an academic Family Medicine department. Demonstrated success in developing clinical programs/clinical operations, educational leadership experience, mentoring faculty and working well with community partners is required. A track-record of scholarship and contributions at the national level is required, commensurate with eligibility for appointment at an Associate Professor or Professor level.

Southwestern Ohio offers an outstanding quality of life, providing access to outdoor activities as well as proximity to major cities including Columbus and Cincinnati (1.5 and 1 hour drive, respectively), Indianapolis, Chicago, and Nashville. The low cost of housing and excellent schools prompt many to make Ohio their home.
