Hi Amanda,

I am interested in serving as a member at large on the ADFM Board. See my formal note below.

Dear Nomination committee members,

I am writing this letter to express my interest in being considered for a member at large position on the ADFM Board. I have a record of service and leadership within the major academic organizations of Family Medicine, having in the past served on the Program Committee of NAPCRG, on the STFM research committee, and the CAFM Educational Research Alliance (CERA) steering committee. I was introduced to ADFM when I became a LEADS fellow in 2019-2020. I formally joined ADFM when I became a Chair in May 2021. Since then, I have been actively involved in the ADFM organization providing service and leadership on the BRC curriculum committee, BRC consultation committee and as vice chair and now incoming chair of the BRC committee. My approach is to work respectfully and collaboratively with my colleagues, engender an open environment for discussion and I pledge to bring enthusiasm, energy and pride in our discipline to the Board.

Regards,

Kiran
