Re: Letter of Interest for Member-at-large on ADFM Board

Dear Members of the ADFM Nominations Committee,

I am writing to express my enthusiastic interest in serving as a Member-At-Large on the ADFM Board of Directors. It is with great enthusiasm and dedication that I submit my candidacy for this pivotal role, and I would be honored to contribute my expertise, passion, and leadership potential to the advancement of ADFM's mission and vision.

As Chair of the Department of Family and Community Medicine at UCSF, I have had the privilege of witnessing the transformative power of family medicine education and the impact it has on both individuals and communities. Throughout my tenure in this role, I have consistently championed initiatives that promote excellence in family medicine education, foster inclusivity, and address the evolving needs of our field.

My interest in ADFM has grown over the years, as I've witnessed the invaluable work carried out by the organization in advancing family medicine education and advocating for the needs of its members. I am deeply committed to ensuring that the voices of our dedicated members are heard at the highest levels of decision-making within ADFM.

I am eager to take on the responsibilities of a Member-At-Large, as outlined in the role description. I fully understand the commitment required, including attendance at various meetings throughout the year, and I am prepared to dedicate the necessary time and effort to fulfill these obligations effectively. I embrace the opportunity to represent ADFM on the Finance/Audit Committee and other strategic priorities, contributing to the continued growth and success of the organization.

My leadership potential and commitment to the values of ADFM align seamlessly with the objectives of this role. I am confident that my unique perspective and experience will contribute to a diverse and inclusive leadership team, reflecting the rich tapestry of our membership.

I would be honored to be considered as a candidate in the upcoming election by the membership. If selected, I am committed to working collaboratively with my fellow Board members and ADFM's stakeholders to drive innovation,

advocate for our members, and uphold the high standards that ADFM represents.

Thank you for considering my application. I am excited about the opportunity to serve ADFM and contribute to its continued success. I look forward to the possibility of discussing my candidacy further and sharing my vision for the future of family medicine education.

Sincerely,
